

Thank you for working at K mart

Each year, KIH pays tribute to its anniversary celebrants by recognizing them with a luncheon and presenting them with service pins. It's K mart's way of saying thanks for all of the years of loyal service, be it five or 50 years. Good employees are the backbone of any company.

This year the total number of years present at the luncheon was 4,972 which is 528 more than last year.

There was one 50 year celebrant, Ellen Miller of toys, one 45 year celebrant, Worley Smith of construction and four 40 year celebrants, including Board Chairman Bernard M. Fauber, Senior Buyer Leonard Bogdan, Associate Buyer James Carille, and Ina Heggebo, treasurer's office.

Bert Cave, cafeteria, and her staff prepared a luscious meal of roast beef, green beans, salad, rolls, baked potatoes and cheesecake.

While the pins and tie tacks were being presented to the group, John Worful, Director of Corporate Training said, "Be proud of your pins and treat them like you would an American Express card - don't leave home without them."

Celebrants dig into a hearty meal prepared by Bert Cave, Chef Willie Smith and staff.

Everyone waits their turn for their helping, cheerfully dished out by the cafeteria crew.

Board Chairman, Bernard M. Fauber, left, is congratulated on his 40 years of service by President, Samuel G. Leftwich. When asked would he do anything different with his K mart career if he had a chance to do it over again, Mr. Fauber replied, "I wouldn't change a thing except I wish I had started earlier."

Paul Vercammen, manager corporate income tax division, has 15 years with the company. What was the highlight of his career? "To be able to define what the highlight of my 15 years here would be hard. The highlight is just working here."

Art tour and benefit

This event really offered an opportunity to see what a world class organization K mart and its people was capable of.

Those were comments from Mrs. B. Women's Association on the Art Tour for the Boys and Girls Club of Metrop. Mrs. Fauber specifically noted Gen. composure in overseeing such an event, smooth-going operation without him, unflappable.

The Boys and Girls Club wanted to weeks ago Mrs. Fauber, Mrs. Paul W. Mrs. Walter R. Naas, Vice President of plaque in commemoration of his profile. Mrs. Fauber was pleased to report event, which involved a Mini Art Tour towards the Boys and Girls Club.

The Club offers a place where kids with friends, have some fun and share locations in the Detroit area are staffed and include game rooms, gymnasium, crafts centers and outdoor play areas, team sports, music, photography, and supervision.

Boys and Girls Clubs have helped for three years and she and Board Chair Directors.
